Overall Length:

2.960 inches

Overall Height:

0.740 inches

Overall Width:

0.740 inches

Component Type And Quantity:

1 housing and 1 display and 1 module and 1 actuator

Extra Long Reference Number:

800-a6c1e4-j30-l1/l2-n2 (ww) -19 target, run

Special Features:

White display screen with white filters

Reference Number Differentiating Characteristics:

As differentiated by extra long reference number

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A5110
