**Overall Length:**

2.960 inches

**Overall Height:**

0.740 inches

**Overall Width:**

0.740 inches

**Component Type And Quantity:**

1 housing and 1 display and 1 module and 1 actuator

**Extra Long Reference Number:**

800-a6c1e4-j30-l1/l2-n2 (ww) -19 target, run

**Special Features:**

White display screen with white filters

**Reference Number Differentiating Characteristics:**

As differentiated by extra long reference number

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A5110
