Overall Length:

2.960 inches

Overall Height:

0.740 inches

Overall Width:

0.740 inches

Component Type And Quantity:

1 housing and 1 display and 1 module and 1 actuator

Extra Long Reference Number:

800-12-a1c1e2-j30-l1-n (r) -13-missile, destruct

Special Features:

Red display screen with red filters

Reference Number Differentiating Characteristics:

As differentiated by extra long reference number

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A5110
