**Overall Length:**

2.960 inches

**Overall Height:**

0.740 inches

**Overall Width:**

0.740 inches

**Component Type And Quantity:**

1 housing and 1 display and 1 module and 1 actuator

**Extra Long Reference Number:**

800-12-a1c1e2-j30-l1-n (r) -13-missile, destruct

**Special Features:**

Red display screen with red filters

**Reference Number Differentiating Characteristics:**

As differentiated by extra long reference number

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A5110
