Switch Actuator Quantity:

2

Actuator Style:

Rectangular

Actuator Inscription:

Low angle/on single actuator

Maximum Voltage Rating In Volts:

125.0 ac

Nonpile-up Contact Arrangement:

4 pole, double throw, two positions momentary single switch unit

Contact Load Current Rating At Maximum Rated Voltage:

2.500 amperes inductive dc and 4.000 amperes resistive dc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
