| End Application:                                                                                                                     |
| Ok-398/tpm 05869                                                                                                                     |
| Inclosure Type:                                                                                                                      |
| Fully enclosed                                                                                                                       |
| Mounting Method:                                                                                                                     |
| Panel                                                                                                                                |
| Nonpile-up Contact Arrangement:                                                                                                      |
| 2 pole, double throw, both positions maintained single switch unit                                                                   |
| Contact Load Current Rating At Maximum Rated Voltage:                                                                                |
| 5.000 amperes resistive dc and 2.500 amperes inductive dc and 1.500 amperes lamp dc and 5.000 amperes resistive ac and 2.500 amperes |
| inductive ac and 1.500 amperes lamp ac                                                                                               |

## Special Features:

Four terminals for lamps; high-shock reqmts

## **Precious Material And Location:**

Contact surfaces gold and contacts silver

## NSN 5930-01-096-8866

Unable to decode and unable to decode

**Terminal Type And Quantity:** 

10 tab, solder lug

Shelf Life:

N/a

**Unit Of Measure:** 

Demilitarization:

No

Fiig:

A053a0
