Body Style:

Bushing mounted

Bushing Length:

0.086 inches

Body Length:

1.200 inches

Body Width:

0.350 inches

Body Height:

1.500 inches

Maximum Voltage Rating In Volts:

28.0 dc

Inclosure Type:

Fully enclosed

Mounting Method:

Panel

Criticality Code Justification:

Feat

Contact Load Current Rating At Maximum Rated Voltage:

20.0 milliamperes resistive dc

Special Features:

Weapon system essential

Terminal Type And Quantity:

1 socket, integrated wire termination

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
