Overall Length:

7.504 inches

Overall Height:

2.840 inches

Overall Width:

0.848 inches

Switch Type:

Push and push

Inclosure Type:

Uninclosed

Mounting Configuration:

Printed circuit board terminal mtd

Controlling Agency:

Amf uid electronics division

Identifying Number:

Series 5 type no. And series 7 type no.

Individual Switch Quantity:

5 and 5

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T142-e
