Body Style:

Hole mounted

Overall Length:

0.800 inches

Overall Height:

0.510 inches

Overall Width:

0.350 inches

Body Length:

0.800 inches

Maximum Voltage Rating In Volts:

30.0 dc

Nonpile-up Contact Arrangement:

4 pole, double throw, both positions maintained single switch unit

Contact Load Current Rating At Maximum Rated Voltage:

250.000 milliamperes resistive dc

Special Features:

Mtg tabs removed

Precious Material And Location:

Contact surfaces gold

Terminal Type And Quantity:

12 printed circuit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
