**Body Style:**

Hole mounted

**Overall Length:**

0.800 inches

**Overall Height:**

0.510 inches

**Overall Width:**

0.350 inches

**Body Length:**

0.800 inches

**Maximum Voltage Rating In Volts:**

30.0 dc

**Nonpile-up Contact Arrangement:**

4 pole, double throw, both positions maintained single switch unit

**Contact Load Current Rating At Maximum Rated Voltage:**

250.000 milliamperes resistive dc

**Special Features:**

Mtg tabs removed

**Precious Material And Location:**

Contact surfaces gold

**Terminal Type And Quantity:**

12 printed circuit

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A053a0
