Overall Length:

5.540 inches

Overall Height:

4.020 inches

Overall Width:

4.020 inches

Unthreaded Mounting Hole Diameter:

0.250 inches single mounting facility

Individual Section Quantity:

3

Operating Temperature Range:

+0.0/+85.0 degrees celsius

End Application:

An/urt-23c modification kit

Switch Contact Basic Design:

Nonpile-up nonsymmetrical

Mounting Method:

Bracket single mounting facility and unthreaded hole single mounting facility

Mounting Facility Pattern:

Two position in-line single mounting facility

Style Designator:

Tap, square frame

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
