**Overall Length:**

5.540 inches

**Overall Height:**

4.020 inches

**Overall Width:**

4.020 inches

**Unthreaded Mounting Hole Diameter:**

0.250 inches single mounting facility

**Individual Section Quantity:**

3

**Operating Temperature Range:**

+0.0/+85.0 degrees celsius

**End Application:**

An/urt-23c modification kit

**Switch Contact Basic Design:**

Nonpile-up nonsymmetrical

**Mounting Method:**

Bracket single mounting facility and unthreaded hole single mounting facility

**Mounting Facility Pattern:**

Two position in-line single mounting facility

**Style Designator:**

Tap, square frame

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**
