Switch Contact Basic Design:

Nonpile-up nonsymmetrical

Features Provided:

Actuator knob

Switch Actuator Indexing Position Quantity:

2 single actuator

Switch Actuator Positioning Increment:

90.0 degrees single actuator

Special Features:

Legend plate marked ma1n auto

Style Designator:

In-line, cam actuated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A052b0
