Individual Section Quantity:

8

Switch Contact Basic Design:

Nonpile-up nonsymmetrical

Features Provided:

Actuator knob and legend plate

Contact Voltage Rating In Volts:

600.0 ac at sea level

Switch Actuator Indexing Position Quantity:

3 single actuator

Special Features:

Legend plate reads off/jog down/jog up

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A052b0
