Overall Length:

4.500 inches

Overall Diameter:

2.625 inches

Features Provided:

Actuator knob and metallic inclosure

Contact Voltage Rating In Volts:

6.0 lowest dc voltage rating at sea level

Switch Actuator Indexing Position Quantity:

2 single actuator

Terminal Type:

Threaded stud

Special Features:

On/off indicator

Precious Material And Location:

Contacts silver

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A052b0
