**Body Length:**

4.800 inches

**Body Width:**

1.800 inches

**End Application:**

5895-01-186-3228 hv switching module

**Mounting Configuration:**

Three 0.269 in. Diameter mounting holes along both edges spaced 2.100 in. Apart from ctr to ctr

**Special Features:**

Six mounting studs

**Material:**

Aluminum alloy

**Material:**

Aluminum alloy

**Surface Treatment:**

Anodize

**Surface Treatment:**

Anodized

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T23700
