Body Style:

Panel mount

Overall Height:

0.775 inches

Body Length:

0.575 inches

Body Width:

0.575 inches

Case Material:

Plastic

Maximum Voltage Rating In Volts:

300.0 dc

Inclosure Type:

Fully enclosed

Mounting Method:

Panel

Nonpile-up Contact Arrangement:

1 pole, single throw, both positions maintained single switch unit

Contact Load Current Rating At Maximum Rated Voltage:

100.000 milliamperes resistive dc

Precious Material And Location:

Contact surfaces gold

Terminal Type And Quantity:

2 printed circuit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
