Overall Length:

2.327 inches

Mounting Method:

Hole

Environmental Protection:

Splashtight

Switch Type:

Push

Inclosure Type:

Fully enclosed

Mounting Configuration:

2.187 in. Sq mtg hole

Identifying Number:

50708-11 part no.

Individual Switch Quantity:

4

Special Features:

Four positions with legends hrp, rdy, 8, 6, 4 and 2 illuminated with green and white

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T142-e
