Overall Length:

2.480 inches

Overall Height:

1.650 inches

Overall Width:

1.160 inches

Mounting Configuration:

Mtd through 0.875 in. Diameter panel hole

Component Type And Quantity:

1 module

Special Features:

Illuminates red; components also include maintained 3 pos selector 1; module is lamp module

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51110
