Overall Length:

0.980 inches

Overall Height:

0.430 inches

Overall Width:

0.450 inches

Case Material:

Plastic

Switch Actuator Quantity:

4

Maximum Voltage Rating In Volts:

24.0 dc

Contact Load Current Rating At Maximum Rated Voltage:

25.000 milliamperes resistive dc

Special Features:

Precious material: gold or silver

Precious Material And Location:

Contact and terminal surfaces gold

Terminal Type And Quantity:

12 printed circuit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
