Overall Length:

2.170 inches

Overall Height:

1.927 inches

Overall Width:

1.477 inches

Actuator Style:

Nonpivoted

End Application:

Skil model 763 super duty drill

Inclosure Type:

Fully enclosed

Contact Load Current Rating At Maximum Rated Voltage:

6.000 amperes resistive ac

Special Features:

Reversing actuator; 8 wire clamp terminals; resistor type circuitry

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
