| Body Style:  |
|--|
| Uncased  |
| Maximum Voltage Rating In Volts:                                   |
| 1000.0 dc  |
| Nonpile-up Contact Arrangement:                                    |
| 1 pole, single throw, both positions maintained single switch unit |
| Switch Actuating Force:  |
| 70.0 ampere-turns  |
| Contact Load Current Rating At Maximum Rated Voltage:              |
| 1.000 amperes resistive dc   |
| Terminal Type And Quantity:  |
| 2 wire lead  |
| Shelf Life:  |
| N/a  |
| Unit Of Measure:   |
|  |
| Demilitarization:  |
| No   |
| Fiig:  |
| A053a0   |
|  |
|  |
