Body Length:

1.281 inches

Body Width:

0.515 inches

Body Height:

1.720 inches

Case Material:

Plastic

End Application:

6640-01-030-3099, sterilizer inoculating loop-laboratory

Special Features:

Brass bushing; nickel contacts

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
