Overall Length:

0.550 inches

Individual Section Quantity:

1

Switch Contact Basic Design:

Nonpile-up symmetrical

Mounting Method:

Printed circuit single mounting facility

Features Provided:

Actuator knob

Contact Voltage Rating In Volts:

350.0 ac at altitude

Terminal Type:

Pin

Contact Load Current Rating:

250.0 milliamperes resistive load dc at sea level

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A052b0
