Overall Length:

2.200 inches

Overall Height:

0.750 inches

Overall Width:

1.000 inches

Component Type And Quantity:

1 housing and 1 plate

Special Features:

Legend inscription reads classify target; major components: emi wiper 1

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

--

Fiig:

A511I0
