Mounting Method:

Bracket

Switch Type:

Push

Mounting Configuration:

Two 0.115 in. Diameter mtg holes spaced 3.307 in. C to c

Controlling Agency:

Wavetek microwave inc

Identifying Number:

12479 part no.

Individual Switch Quantity:

6

Special Features:

Station 6 blank; station 1 through 5 interlocking; station 7 independent

Precious Material And Location:

Contact and terminals silver

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T142-e
