Inclosure Material:

Plastic

Overall Length:

1.370 inches

Overall Height:

2.057 inches

Overall Width:

0.918 inches

Environmental Protection:

Erosion proof

Switch Type:

Push

Inclosure Type:

Fully enclosed

Controlling Agency:

Grayhill

Identifying Number:

5832499-4 drawing no.

Individual Switch Quantity:

6

Supplementary Features:

Printed circuit mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T142-e
