Body Style:

Bushing mount

Bushing Length:

0.220 inches

Body Length:

0.620 inches

Body Width:

0.360 inches

Body Height:

0.340 inches

Maximum Voltage Rating In Volts:

20.0 dc

Mounting Surface To Terminal End Distance:

0.470 inches

Inclosure Type:

Fully enclosed

Nonpile-up Contact Arrangement:

4 pole, double throw, both positions maintained single switch unit

Contact Load Current Rating At Maximum Rated Voltage:

0.400 amperes resistive dc

Terminal Type And Quantity:

12 printed circuit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
