Mounting Method:

Threaded bushing single mounting facility

Features Provided:

Cam actuated and actuator knob and legend plate

Contact Voltage Rating In Volts:

600.0 highest ac voltage rating at sea level

Switch Actuator Indexing Position Quantity:

3 single actuator

Terminal Type:

Tab w/screw

Contact Load Current Rating:

6.0 amperes resistive load lowest ac voltage rating at sea level

Special Features:

Legend plate reads, hand, off, auto

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A052b0
