Overall Length:

3.250 inches

Overall Width:

2.000 inches

Actuator Style:

Round

Actuator Position-action Relationship:

Down position maintained and left position maintained and right position maintained

Maximum Voltage Rating In Volts:

32.0 dc

Special Features:

Legend plate provided reads auto off man

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
