Body Diameter:

0.270 inches

Maximum Voltage Rating In Volts:

24.0 dc

Nonpile-up Contact Arrangement:

1 pole, single throw, both positions maintained single switch unit

Contact Load Current Rating At Maximum Rated Voltage:

10.000 milliamperes resistive dc

Precious Material And Location:

Terminal surfaces gold

Terminal Type And Quantity:

2 printed circuit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
