Overall Length:

1.390 inches

Overall Height:

0.684 inches

Overall Width:

0.684 inches

End Application:

Aircraft, awacs, e-3a

Mounting Method:

Press fit

Product Name:

Switch, push button, illuminated, pushbutton for (with planar color filters)

Special Features:

Mounting end diameter 0.095 in ; material-screen-clear transparent/lamp module-thermoplastic; hues are amber and red filters/clear lens

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
