Overall Length:

3.125 inches

Overall Height:

1.625 inches

Overall Width:

1.875 inches

End Application:

4920-01-224-8880 test stand, electric and hydraulic system components

Special Features:

Major components: maintained operator 1, red mushroom shaped actuator 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51110
