Body Style:

Panel mount

Actuator Style:

Rectangular

Maximum Voltage Rating In Volts:

125.0 ac

Nonpile-up Contact Arrangement:

2 pole, double throw, both positions maintained single switch unit

Contact Load Current Rating At Maximum Rated Voltage:

1.000 amperes resistive ac

Special Features:

Legend led color red

Precious Material And Location:

Contacts gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
