Mounting Method:

Base single mounting facility

Contact Voltage Rating In Volts:

575.0 highest ac voltage rating at sea level

Switch Actuator Indexing Position Quantity:

2 single actuator

Terminal Type:

Screw

Contact Load Current Rating:

60.0 amperes resistive load highest ac voltage rating at sea level

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A052b0
