Overall Length:

1.031 inches

Overall Height:

0.906 inches

Overall Width:

0.654 inches

Body Length:

1.031 inches

Body Width:

0.654 inches

Body Height:

0.630 inches

Case Material:

Plastic

Nonpile-up Contact Arrangement:

2 pole, double throw, both positions maintained single switch unit

Contact Load Current Rating At Maximum Rated Voltage:

5.000 amperes resistive ac

Special Features:

Terminal mounted; actuator is flush with case

Terminal Type And Quantity:

6 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
