**Actuator Color:**

Natural single actuator

**Actuator Inscription:**

Bat single actuator

**Maximum Voltage Rating In Volts:**

250.0 ac

**Nonpile-up Contact Arrangement:**

2 pole, double throw, both positions maintained single switch unit

**Contact Load Current Rating At Maximum Rated Voltage:**

10.000 amperes resistive ac

**Extra Long Reference Number:**

9m-1129312462506907188-9012 battle, short/interlocks

**Special Features:**

Extra long reference number cage 80207 pn 9m-1129312462506907188-9012 battle, short/interlocks

**Reference Number Differentiating Characteristics:**

As differentiated by extra-long reference no

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A053a0
