Overall Length:

2.860 inches

Overall Diameter:

0.938 inches

Temperature Sensing Element Type:

Liquid

Operating Temperature Rating:

220.0 degrees celsius

Thread Size:

0.375 inches single pressure connection

Thread Series Designator:

Nptf single pressure connection

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
