Body Style:

Panel mount

Illuminated Actuator Color:

Red all actuators

End Application:

Amcm an/aqs-14 material support unit

Inclosure Type:

Uninclosed

Special Features:

Illuminated 4 lamp, 0.75 square, 7 amperes, low level electromagnetic interference shielded, sunlight readable, temperature characteristic minus 55 degrees c to plus 85 degrees c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
