Overall Length:

3.438 inches

Outside Diameter:

0.250 inches single connection

Overall Width:

3.250 inches

Body Height:

1.750 inches

Contact Adjustability:

Actuation point adjustable

Contact Voltage Rating In Volts:

250.0 ac at sea level single voltage

Pressure Connector Type:

Barbed, unthreaded external single connection

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
