Contact Voltage Rating In Volts:

115.0 ac at sea level first voltage 28.0 dc at sea level second voltage

Special Features:

High temperature setting to the nearest 25 degrees f, 100 deg; high temperature setting to the nearest 5 degrees f, -plus 5 deg

Frequency In Hertz:

60.0 first voltage

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
