Overall Diameter:

3.000 inches

End Application:

1190-01-326-9932 aoco

Switch Contact Basic Design:

Nonpile-up symmetrical

Features Provided:

Actuator knob

Switch Actuator Indexing Position Quantity:

3 single actuator

Switch Actuator Positioning Increment:

18.0 degrees single actuator

Precious Material And Location:

Contact and wiper surfaces silver

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A052b0
