Body Style:

Panel mounted

Body Length:

3.307 inches

Body Width:

0.944 inches

Body Height:

1.417 inches

Maximum Voltage Rating In Volts:

380.0 ac

End Application:

Panel e/r alarm p/n fs700397v onboard 110 ft wpb coast guard vessels

Mounting Surface To Terminal End Distance:

2.914 inches

Inclosure Type:

Fully enclosed

Mounting Method:

Screw

Contact Load Current Rating At Maximum Rated Voltage:

10.000 amperes resistive ac

Special Features:

Form c; 2 pole; double throw; both normally opened and normally closed; momentary action; 1 position maintained

Terminal Type And Quantity:

8 screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
