Individual Section Quantity:

1

Switch Contact Basic Design:

Nonpile-up nonsymmetrical

Pole Quantity:

1 single section front

Throw Quantity:

8 single section front

Contact Voltage Rating In Volts:

440.0 ac at sea level

Switch Actuator Indexing Position Quantity:

8 single actuator

Switch Actuator Positioning Increment:

50.0 degrees single actuator

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A052b0
