Operating Temperature Rating:

Between -30.0 degrees fahrenheit and 300.0 degrees fahrenheit

Nonpile-up Contact Arrangement:

1 pole, double throw, both positions maintained

Contact Adjustability:

Actuation point adjustable

Special Features:

Operating pressure 2000 psig; set point tolerance porm 25 pct

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
