**Body Style:**

Panel mounted

**Body Length:**

1.654 inches

**Body Width:**

0.960 inches

**Body Height:**

0.960 inches

**Maximum Voltage Rating In Volts:**

28.000 dc

**Inclosure Type:**

Hermetically sealed

**Mounting Method:**

Flange

**Nonpile-up Contact Arrangement:**

2 pole, double throw, both positions maintained single switch unit

**Contact Load Current Rating At Maximum Rated Voltage:**

1.000 amperes resistive dc

**Terminal Type And Quantity:**

6 solder stud

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A053a0
