Case Material:

Metal

Actuator Color:

Green single actuator

Actuator Inscription:

Laser arm single actuator

End Application:

H-1 helo

Inclosure Type:

Fully enclosed

Special Features:

Rprocured from aerospace optics inc, cage 32245, by purchasing 1 ea switch assembly 95-40-17-s6-60198 (1j1 laser, arm) and 1 ea connector nsn 5945-01-367-1856; these parts must then be assembled for the switch assembly

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
