Overall Height:

4.060 inches

Overall Width:

5.000 inches

Switch Contact Basic Design:

Nonpile-up nonsymmetrical

Mounting Method:

Bracket single mounting facility and unthreaded hole single mounting facility

Features Provided:

Actuator knob

Switch Actuator Momentary Position:

Clockwise single actuator and counterclockwise single actuator

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A052b0
