Overall Length:

2.780 inches

Overall Width:

2.360 inches

Unthreaded Mounting Hole Diameter:

Between 0.124 inches and 0.129 inches

End Application:

Low altitude parachute extraction system

Mounting Method:

Unthreaded hole

Special Features:

Nameplate p/n 3311659-3 included

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
