Switch Actuator Quantity:

1

Actuator Color:

Black, opaque single actuator

Actuator Inscription:

The inscription is the number 9 single actuator

Maximum Voltage Rating In Volts:

28.00 ac

End Application:

6625-01-327-1163

Contact Load Current Rating At Maximum Rated Voltage:

100.00 milliamperes resistive dc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
